

# VITSAPON KITTIPIAT

(วิศพนธ์ กิตติพัฒน์)

STUDENT ID: 6604022610593

## CONTACT INFORMATION

+66 61 612 9552

s6604022610593@email.kmutnb.ac.th

Vitsapon Kittipat

Bangkok, Thailand

## ABILITIES / SKILLS

- PROGRAMMING
- CRITICAL THINKING
- LOGIC THINKING
- TEAMWORK MANAGING SKILL
- SPORTS PLAYING SKILL
- PHOTO AND VIDEO EDITING

## LANGUAGE SKILLS

- Thai – Native
- English – Proficient
- Japanese – Basic

## ABOUT ME

I have a strong passion for computer programming and software application design across multiple platforms. I am eager to further develop my knowledge, skills, and experience in programming and software design to create efficient, practical solutions. I am also highly motivated to continuously learn and adapt to new technologies.

## EDUCATION

2023 - Present

KING MONGKUT'S UNIVERSITY OF  
TECHNOLOGY NORTH BANGKOK (KMUTNB)

Bachelor of Science in Mathematics with Computer Science  
Faculty of Applied Science, Department of Mathematics

## DEVELOPMENT SKILLS

- Programming: HTML/CSS/JAVASCRIPT/TYPESCRIPT, C#, JAVA, Python
- Database: Microsoft SQL Server, MySQL, MongoDB
- Version Control: Git, Github
- UX/UI Design: Figma

## WORKING EXPERIENCE

Apr 2025 - Jun 2025

FULLSTACK INTERNSHIP

PROJECT: EMPLOYEE LEAVE MANAGEMENT SYSTEM

- Framework Development: Built the system using the Next.js framework to ensure scalability, maintainability, and high performance.
- UX/UI Design: Created intuitive and user-friendly interfaces to enhance the overall user experience.
- Database Design: Designed and structured the database system to improve efficiency, reliability, and data integrity.
- ORM Implementation: Utilized Object-Relational Mapping (ORM) to efficiently manage database interactions with the web application.

## SOFTWARE/Framework
